Respectfully submitted by Jo K., Recording Secretary

From the desk of your International Executive Secretary.

As we finish production of this June bulletin, I realize that it's my 12th bulletin since taking over the International Executive Secretary position. This means I'm approaching my one-year anniversary serving this fellowship. Can you believe that? How blessed am I to be doing what I'm doing? I appreciate all the help and guidance I've received from our members since taking this job. Some days, it doesn't even feel like a job. I love doing what I'm doing, and I look forward to growing in recovery with all of you.

Since our last bulletin, we've had the Board of Trustees meeting in Cherry Hill, New Jersey. It was shorter than anticipated and that's okay! We got some business taken care of and were able to get quite a bit of fellowship in with each other. I'll be finishing the minutes soon and they will be going out to the trustees for review. Once our trusted servants review them, I'll make any corrections or adjustments and then get them into one of these bulletins.

Summer will be starting officially soon, and I know here in the Las Vegas Valley, we've already hit 110 and 111 on a few days. Stay cool, stay hydrated, and be safe.

A longtime member of GASN here has a saying that I'd like to share with you, "Keep coming back to meetings and don't gamble for anything. No matter what."

One last reminder here in the bulletin that the trustee elections in your area should be wrapping up, per Guidance Code Article XVIII: Election of Trustees. Please make sure your area gets me the information on who your new/returning trustees are so I can keep our contact list up to date. I've put the list of responsibilities of our trustees here again, for your reference.

Yours in recovery and gratitude, KC B.

UNITY PROGRAM

Did you know that the I.S.O. sells a booklet on how to study the Unity Steps? We do! It's called "Gamblers Anonymous Group Study Book on the Unity Steps." Each month of 2022, I'll be listing the Unity Program corresponding step with each month. I'll be taking information from both this booklet and our red book, A New Beginning. Both of these are available on the Gamblers Anonymous website or order form.

As I entered my first meeting on July 30, 2001, at the Unity Club in Las Vegas, my brain was focused on one thing – to stop gambling. It's all I cared about for the first few months I was attending meetings. I had no idea what the Unity Program was or why it existed.

As my mind cleared up and I started to understand my surroundings, the Unity Program became less and less confusing for me. I'd like to think it's the same way for all of us, however, I can only speak of my experience.

It taught me that while I needed to focus on **MY** recovery, I also needed to respect the group as a whole and be one with them as we move forward on this journey of self-discovery and recovery.

Unity Step 6 – Gamblers Anonymous ought never endorse, finance, or lend the Gamblers Anonymous name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.

Most fundamental at this point is the constant awareness that Gamblers Anonymous is so willing to cooperate but not "Affiliate" with any outside enterprise. Any other course presents the possibility of controversy clouded behind the motives and direction of any well-meaning group or individual, creating a diversion from the primary purpose of Gamblers Anonymous. If we were to apply our energies toward any "related facilities" would we then set aside time and attention to share with the suffering compulsive gambler? And would we then suffer from internal strife as we argue over money, rules, requirements; frightening? Yes. So we preserve the tradition of not lending the Gamblers Anonymous name.

Gamblers Anonymous works in large part because the program is kept pure of outside interests. Energy, time, money, and efforts would be wasted by supporting any outside cause or organization. Such support would also be detrimental to the public acceptance of individual groups or the fellowship as a whole. Endorsement of anything outside of the Fellowship would also lead to internal disagreement. For the reason Gamblers Anonymous takes no part in political causes or public issues.

This tradition warns us to stay within our area of expertise. One gambler helping the other is the reason for our existence. We should confine our actions to helping other compulsive gamblers for the maximum result and without the possibility of offending anyone.

- a. Define/discuss the following words/phrases: “one primary purpose,” “to carry its message,” and “compulsive gambler who still suffers.”
- b. If your meeting place asks if they can put Gamblers Anonymous in the weekly/monthly pamphlet, is this a violation of Unity Step 6? Discuss
- c. What is our primary purpose?
- d. If someone asks you to sign a petition to stop a new casino from being built, you sign it. You ask for additional sheets for signatures because you know a group called Gamblers Anonymous that will sign their names. Is this breaking Unity Step 6? Discuss.
- e. There are several principles that may apply to this step. Elaborate on how each of the following applies to Unity Step 6: humility, anonymity, harmony.

Where would you be today without G.A.? Become a Lifeliner Today!

A Lifeliner is a member of the G.A. fellowship who cares enough about the financial well being of G.A. to make a monthly donation. This donation helps to insure that G.A. will always be there for the compulsive gambler who still suffers.

You will benefit by becoming a Lifeliner because...

- ... it offers you a way to give back to the program that has given you so much.
- ... it allows you to make a commitment to the program in a more direct way.
- ... it helps the International Service Office to spread the message to those who haven't yet been blessed as you have.
- ... it makes you one of a special group of people who do a little extra for the program that saved their lives.
- ... it gives you a sense of responsibility.
- ... it helps you remember that Gamblers Anonymous needs you as much as you need Gamblers Anonymous.

We are self supporting through our own contributions.

How often have you thought or heard: "Gamblers Anonymous saved my life. I can't do enough to repay the program for what it has done for me."
